Dear Parents/Guardians,

A few reminders for the end of the year and next year....

*ALL MEDICATION must be picked up from the nurse's office on the last day of school by a parent/guardian.

Next year:

*Please make sure your child has the required immunizations to enter school. *** Students entering 7th Grade are required to have a Meningococcal and Tdap vaccine. Students entering kindergarten are required to have all their booster shots.

*Also, all students are required to have a shot record at school, please make sure we have one.

* Please fill out all Emergency Medical Forms and Medication Administration Forms and return them the first day of school, so your child can be treated.

Any questions, please call me between 9 and 1 at 330-755-6509.

Have a fun and safe summer,

Kathleen Olesh RN
